Shane LaVigne, Lobbyist

"It is because of Pastor Frank Erb that I have a life-changing relationship with the Lord. Pastor Erb was the first person in my life who really articulated Christ's desire to have a deep personal relationship with me. I will be forever grateful."

Matt Fleming, Senior Legislative Staff Member

"Like many people during the pandemic, I suffered from loneliness, depression and hopelessness. A coworker at the time would talk to me about his faith and eventually persuaded me to go to a Bible study for Capitol employees taught by Pastor Frank Erb. Then Frank persuaded me to read the Gospel of John, which I found totally convincing. I'm now a believer, a baby believer, and Frank and others continue to guide me on this path."

Yna Shimabukuro, Lobbyist

"When I came to the Capitol Staff & Lobbyists Bible Study, everything was brand new. After one of the Bible Studies, Pastor Frank asked me if he could pray for me, which he did. At that moment, inside of me I felt a shift. I felt love, I felt something so incredibly amazing that it would be hard to put it into words. Since that moment I've known that I wanted to know God and know Him intimately."

Chief of Staff, California State Assembly

"Frank Erb has been a profound influence and help to me during a very difficult time in my life. I will eternally be grateful because Frank was available and accessible to listen and help me develop a truly intimate and genuine relationship with Christ. This changed the entire trajectory of my life. I strongly urge everyone in the Capitol to tap into this ministry and experience the joy of trusting every day in God's care and promises for us."

Greg Burt, Capitol Advocacy Organization, Legislative Staff,

"Frank Erb is a treasure to me and many others within California's Capitol. For several years now, I have witnessed him faithfully and passionately teach the word of God to legislators and their staffers, lobbyists, state workers, and encourage them to live out their faith within a profession that can be very hostile to Christianity."

Harrison Anderson, State Analyst

"When I became a believer, I did not have many role-models for how a Christian man should live his life. I had hundreds of questions, and was desperate for someone to learn from. When I was introduced to Pastor Frank Erb by my wife who also works in state government, my prayers were answered. Frank brings an academic and scientific perspective to his teachings, and his knowledge of Scripture is incredible. Any time I have a question or want to talk about something that is weighing on my heart, Frank is willing to take the extra time to talk and pray with me. Since being introduced to Frank, I have developed a deeper relationship with Jesus and a greater understanding of His teachings in the Bible. Praise God for Pastor Frank Erb!"

Chief of Staff, California State Assembly

"Pastor Frank Erb's servant's heart to reach out to legislative staff has been life-changing for me. He has always been open to talk and pray with me during challenging times in my life without asking for anything in return."

Jennifer Hatfield, Senior Capitol Staff

"What a unique opportunity we have as Pastor Frank brings us in-depth Bible studies each week. The studies are priceless, engaging and available to anyone, regardless of party affiliation. The mid-week Bible Study offers me a chance to break away from my busy work schedule and re-focus on the Word of God and its eternal significance to me. ... It is a wonderful service and I have been honored to attend his studies for years and look forward to many more years to come."

Andy Nevis, State Legislative Analyst

"Those of us serving in government and politics face unique challenges and pressures, and it can be difficult to find ministry leaders who understand those struggles. Pastor Frank Erb fills this need by providing us with carefully-tailored weekly Bible studies and one-on-one outreach, to remind us that no matter the headlines or difficulties of the day we have a God we can trust and who wants to have a relationship with us. He also creates a community to show us we are not alone as Christians in government. In the process, he not only blesses us personally but all Californians who are impacted by the decisions the state legislature and state agencies make."

Tim, Attorney, California State Agency

"I appreciate Frank Erb's service to us at the Capitol Bible Study. I look forward to it every week; a time of prayer, fellowship, and biblical learning. It is obvious that he invests a great deal in developing a meaningful Bible study message."

Jason Hill, Engineer for large California State project

"My family and I had recently moved to the Sacramento area and I was praying for a midweek Bible Study to attend. By God's providence, that Sunday morning Pastor Frank gave the sermon at my church and mentioned that he teaches a Bible Study open to all every midweek in the Capitol, literally two blocks from my office. Praise the Lord for His faithfulness and for Pastor Frank who has been such a light and encouragement to me ever since!"

Debran Jones Reed, Legislative Analyst

"It has been a blessing to have Pastor Frank at the Capitol. Every Wednesday's Capitol Bible Study gathering is a breath of fresh air. He brings sound insight into the study of the Bible and equips participants to apply biblical principles to their own lives. Pastor Frank is a shining light that our Capitol community is fortunate to have as a model and teacher of godly living. I can confidently say he acts justly, loves mercy, and walks humbly."

Timothy, Attorney, Capitol Advocacy Firm

"The Capitol Bible Study has become very important to me. I have come to consider Frank Erb one of my pastors and I look forward to this time of teaching and fellowship with the friends who are part of this flock. It refreshes my soul when we take a break from our work and join together in the presence of the Holy Spirit to be reminded of the truly important things that transcend this world."

Kermit Kruse, State Assembly Sergeant-at-Arms

"The Capitol needs Frank Erb more than ever! He is a light in the darkness."

Gary Gutierrez, Engineer, California Department of Transportation

"I have been attending Pastor Erb's Bible discussion and discipleship groups for years. Frank's insight into the Bible is remarkable and his ability to explain it in simple, clear terms make the meetings so powerful and rewarding. I have been a Christ follower for thirty-six years and am quite familiar with the Bible, but I always walk away with fresh insight and perspective after attending the meetings. However, Frank's best quality, in my opinion, is his genuine interest in others. No matter who you are or whatever your background, Frank will make time for you. To me, that is Christlikeness."

Joseph Encinas, Senate Staff Member

"My conversations with Pastor Frank throughout the year have always brought joy to my days, which as a legislative staff member can be stressful. I'm thankful for him always being ready to listen and for reminding me that God is always with me."

Caleb Kang, Assembly Staff Member

"When you have a pastor in the Capitol, you want a faithful servant who is strong in the LORD, and constantly ready to love on those around them. Frank embodies these qualities to the extent that even the non-Christians in the Capitol speak highly of him and recognize that he serves a great God. God is using him mightily in the California State Capitol!"

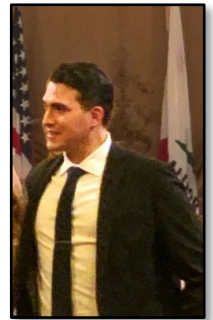

Daniel Lieber, Senate Staff Member

"What I love about Pastor Frank's ministry in the Capitol is that it is characterized by clarity and faithfulness. He always makes himself available to anyone in need and he is very honest and clear about what the Bible says. If you want to know more about who Jesus is and what the Bible teaches, I would consider Pastor Frank to be an excellent resource."

Simon Timony, Senate Staff Member

"In the halls of the most powerful state legislature in America, Pastor Frank Erb serves the highest mission and has the most important role. The weekly Capitol Bible Discussions he teaches have served as a needed refuge and source of hope. Something he taught at one meeting played a big role in an important decision I made. God bless Pastor Frank."

Psalm 148:11-13

let them praise the name of the LORD, for his name alone is exalted,
his majesty is above earth and heaven."***
